

Program Name: CONSTRUCTION

Host School: Youth Education Centre

National Qualification: CPC10112 Certificate II in Construction

RTO Code:

Program Description: Certificate II in Construction is a unique program designed for students with an interest in the building and construction industry. Building Links work in conjunction with Housing SA in renovating and remodelling existing Housing SA properties, with students developing skills in areas including carpentry, concreting, tiling, painting and decorating, joinery, plastering, bricklaying, landscaping and demolition. This course combines structured workplace training, practical work sessions and theory into a single package designed to give students a work ready qualification.

Pathway: Pathway Certificates within the Trades, School Based Apprenticeships and Traineeships, Apprenticeships and University Building Management Degrees.

SACE Credits: Stage 1 – 40

Course Length: Full Year

Training Day & Time: Thursday
8.30am to 3.00pm

Commencement Date: Term 1 – Week 3

Special Requirements: Pre-Course Experiences/Pre-requisites - No pre-requisites to study this qualification, however, suitable for students: In year 11 and 12 and have a passion for being part of the Building Industry.

Dress Code/Extra Clothing Required/Equipment: High Visibility Shirt provided by SYC and Steel capped boots required.

Structured Work Placement & Other: Students are assessed on-the-job and this forms part of the student's VET assessment requirements in completing the competencies required for the certificate. Students are required to attend White Card training on first week of the course. On the successful completion of the training they will be able to attend the worksite.

Program Cost (per student): \$2266.00

GST:

Workshop Fee

Total Cost (per student):

TGSS funded if eligible
