

Program Name: HORTICULTURE

Host School: Youth Education Centre

National Qualification: AHC20410 Certificate in Horticulture

RTO Code: 41026

Program Description:

Certificate II in Horticulture is a unique program designed for students with an interest in the horticulture and landscaping industries. Garden Links works in conjunction with TAFE SA in developing student's skills in the areas of horticulture, landscaping and plant recognition giving students a recognised qualification in horticulture, as well as exposure to a range of other VET training packages. This course combines structured workplace learning, practical work sessions and theory into a single package designed to give students an entry level qualification in the horticulture industry.

Pathway: Pathway Certificates within the Trades, School Based Apprenticeships and Traineeships and Apprenticeships

SACE Credits: Stage 1 – 50

Course Length: Full Year

Training Day & Time: Monday & Friday (2 Days per week)

Commencement Date: Term 1 – Week 3

Special Requirements: Pre-Course Experiences/Pre-requisites: No pre-requisites to study this qualification, however, suitable for students: In year 11 and 12 and have a passion for being part of the Horticulture Industry

Structured Work Placement & Other

Students are assessed on-the-job and this forms part of the student's VET assessment requirements in completing the competencies required for the certificate.
