

Program Name: DOORWAYS TO CONSTRUCTION PLUS (Plumbing)

Host School: Heathfield High School

National Qualification: Certificate III in Plumbing (Partial)

Code: CPC32612

RTO Code: 4022 (North East Vocational College)

Program Description: Students who graduate from the D2C Certificate I course and wish to further their construction skills specifically in the area of plumbing can apply for the second year D2C+ (Plumbing) Program. The D2C+ (Plumbing) program at Heathfield High School will specialise in units of competency from the Certificate III in Plumbing and Roof Plumbing training packages, where students will focus on a range of plumbing specific skills. Students are required to participate in structured workplace learning in industry.

Pathway: This course leads to Certificate III in Plumbing as well as School Based Apprenticeships and Full Apprenticeships.

SACE Credits: Stage 2, 50 credits

Course Length: Semester 1 and 2

Training Day & Time: TBA 8:45am – 3:15pm

Commencement Date: Week beginning 15th February 2018

Special Requirements: Students applying for this course must have successfully completed the D2C Certificate I in Construction program (or equivalent). The Personal Protective clothing and equipment provided in 2015 must be re-used in 2016.

Program Cost (per student): \$2000

GST: Exempt for training cost

Consumables: \$695 (inclusive of GST)

Total Cost (per student): \$2,695 (\$1,495 for students with 0.2 enrolment – see your VET Coordinator for details). Please note that these costs are still to be confirmed. An additional 15% administration levy applies to students from no EASC and AHSP's schools.

Location: Building & Construction Centre
Heathfield High School, 99 Longwood Road, Heathfield SA 5153

Program Provider Contact: Kieran Jaensch Ph: (08) 8139 9300 Fax: (08) 8139 9399
