

Image Consent Form

Permission to use images of student and children on the Eastern Adelaide Schools Cluster’s public website.

By completing and returning this form, I grant permission for EASC to use:

- photographs of my child
- my child’s first name and the name of the service provider.
and to distribute the information to the public website.

I also grant permission for my child to be photographed by external media organisations for publication/broadcast.

The permission continues until I revoke permission in writing to the Executive of EASC.

Notes

- Items might not appear in exactly the form in which they have been submitted and not every item for which permission is granted will be used.
- Items which contain images of Aboriginal and Torres Strait Islander people may be accompanied by a warning text to indicate that the work may include people who have passed away.
- Where permission is revoked, every effort will be made to remove relevant media from distribution, however this may not be possible or practical in some situations.
