Partial Certificate II in Electrotechnology Career Start - Electrical Trades 2nd Year

Pathway

This course will give students the skills and knowledge of the electrical industry by covering the WHS requirements specific to the industry, electrical theory, components and technologies, communication, electrical measurements and calculation and the utilization of a range of electrical tools, equipment and systems.

Where required students will be offered White Card training at an additional cost.

Special requirements

Students must also make a commitment to **attend ALL training and complete all work required, both practical and theory.**

The electrical industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment, this qualification requires all units of competency to be delivered in this context. A period of work placement is strongly recommended to ensure training outcomes are met.

Students must adhere to all safety requirements as directed by their trainer. The approved GJTTC uniform and PPE will be required during all training.

Students will be provided, at no extra cost, a high visibility shirt, work jumper and safety glasses. Additional Personal Protective Equipment (PPE) to be purchased by the student prior to commencement:

- Black steel cap boots
- Dark blue Work trousers

Course details – Course Code UEE22011

UEENEEE141A – Use routine equipment/plant/technologies in an electrotechnology environment	60 hrs
UEENEEE148A – Carry out routine work activities in an energy sector environment	40 hrs
UEENEEE179A – Identify and select components, accessories and materials for energy sector work activities	20 hrs
UEENEEED101A – Use computer applications relevant to a workplace	20 hrs
UEENEEE107A – Use drawings, diagrams, schedules, standards, codes and specifications	40 hrs

Location

Grand Junction Trade Training Centre, St Paul's College
792 Grand Junction Road, Gilles Plains (Entry via Lurline Avenue (Gate 11))
